

HOST A

DIAPER DRIVE

TOGETHER WE CAN DO THIS.

Donated diapers and items will be used to help families in need and really make a difference in their lives! Recently, the National Diaper Bank Network, and founding sponsor Huggies, announced a study, Diaper Need and Its Impact on US Families. The report uncovered that one-in-three U.S. families continue to struggle to provide enough diapers to keep a baby or toddler clean, dry and healthy.

Covering little bottoms makes a big difference by improving infant health, reducing parental stress, and removing barriers to accessing childcare.

SAMPLE LETTER TO SECURE APPROVAL AND FACILITY SPACE

[Date] Dear [Manager/Appropriate Staff Member],

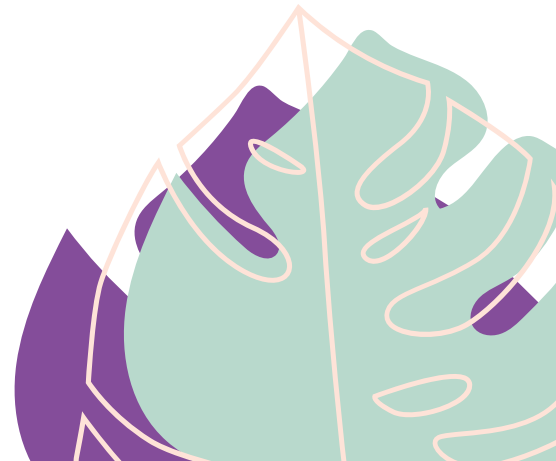

I am writing to seek approval to hold a diaper drive at [organization name] from [start date-end date]. The diaper drive will benefit Naturally Nurtured Birth Charitable Services, a non-profit that works with community organizations to distribute diapers, postpartum diapers/pads and baby items to families in need. Drive organizers will provide collection boxes for the donation of diapers and baby wipes, maintain an orderly collection area, and remove donations at the conclusion of the drive.

The need for diapers is enormous and has been exacerbated by the COVID 19 crisis. One in 3 U.S. families struggle to afford enough diapers for their children. Lack of diapers jeopardizes children's health and wellbeing, creates significant emotional stress for parents and caretakers, and is a barrier to work and education since most child care facilities require that parents provide at least one day's worth of diapers for their child each day.

Thank you in advance for helping to support our community's families. For more information on the Naturally Nurtured Birth Charitable Services, please visit www.naturallynurturedbirthservices.com.

Sincerely,

[Diaper Drive Organizer]
